

This term our story is 'Goldilocks and the Three Bears'

Kingsley enjoys exploring in the porridge oats. He likes to lie in it feeling the texture.

We are helping to make a house for the three bears. This activity helps us with our gross motor movements.

Look at Stanley experimenting with mark making with twigs.

The glop is slimy and cold. If we dig deep enough there are some soft numbers in there and some teddy bear shapes.

First, we painted a plate and then glued on eyes, ears and a nose. Our bear masks had lots of circles on them.
