

Talk time...

Is it sometimes difficult to have faith in God? Can you share a time when you have struggled with your faith?

Do you know someone with a different faith to you?

How can we show faith in each other?

Community Bible Storytime...

One day, Jesus and some of his disciples were out on a lake in a boat. Suddenly, without warning, a storm came up. The wind blew so hard, and the waves were so high, that water was coming into the boat and the boat was about to be turned over.

While the winds and waves tossed the little boat about, Jesus slept peacefully at one end of the boat. Some of the disciples became upset that Jesus was sleeping. They went and woke Jesus and asked him, "Master, don't you even care that we are about to drown?"

Jesus got up and spoke to the winds and the waves.

"Peace, be still," he said. As soon as he spoke, the winds stopped blowing and the sea became calm.

Jesus' disciples were amazed! They said, "Who is this man that even the winds and the waves obey him?"

We know who Jesus is, don't we? And we know that Jesus can still calm storms today. Sometimes, there are sudden storms in our life. Perhaps it is an illness, a family problem, or the death of a friend or loved one. During these times, Jesus can calm the storms of doubt and fear in our life. He doesn't always take away all of the problems, but if we will trust in Him, he will give us peace in our hearts even in the middle of a storm.
